Prayer for Eastview Christian Church

- Pray that many non-Christ followers will come to Eastview's Christmas concert or Christmas Eve services. Ask God to open a door for you to invite someone you know who doesn't follow Jesus.
- Pray that our musicians, technicians, vocalists, and worship staff will clearly proclaim the good news of Jesus during our annual Christmas concert "Christmas Is..."
- Pray for God to miraculously give you income or resources that you are not expecting for the upcoming "expanding ministry" offering on December 22nd. Commit any such income to God's vision here.
- Pray for God to use the upcoming fourth service to grow faith in the lives of those we have planted and watered as a result of our dangerous witness. Pray for God to make Eastview grow more and more into a church of fearless Christ followers.
- Pray for the seeds planted yesterday through our IMAGINE outreach to grow into faith in Jesus Christ.
- Pray for our preaching team as they present Jesus in this Christmas season. Pray that everyone, especially visitors will see the Christ child for who He truly is.

Baptism Testimony

Sandy Sherman-DuBach (11:30)

I've been exposed to Christianity my whole life but I lacked faith to believe in Jesus Christ. Recently during a time of ongoing Bible study, I found myself in deep prayer and I felt the Holy Spirit cover me completely. It was soon after that when I decided to make Jesus Christ my Lord and Savior.
