#### Prayers for ECC

- Pray for God's living Word to be revealed as never before to light the way for those living in darkness in our community.
- Pray for the dangerous witness of Eastview Christian Church to be strengthened as we are encouraged by the eyewitness of John the apostle.
- Pray for God to bring hundreds to new life this year through the spiritual birth into God's family that comes by faith.
- Pray that we become more fearless followers of Jesus this year as we reflect on the testimony of who he is as recorded for us in the writings of John.
- Praise and thank God that our greatest longing - fellowship with the eternal God - is made possible because he became flesh and made his dwelling among us!
