Learning to love – Imitation & Practice

Challenge to Sleep & Sabbath (Rest, Renewal, Reverence)

Prayers for ECC

- Please pray that the Holy Spirit would remind our whole church body that God offers unconditional love to all people. That this truth would replace the false narrative that God only loves us when we're good.
- Please pray for our Eastview Family Ministries as we head into summer with intentional plans for summer camps and CIY-MOVE. Ask that God would use those times to radically transform our kids and leaders as they encounter God!
- Lift up prayers of strength and grace for our families to enter into a new season of rest and restoration this summer! For families to say yes to sleep and Sabbath and that these new rhythms lead to more opportunities to boldly and ridiculously love in our everyday lives.
