Prayer for Eastview Christian Church

- Pray for Manno and Prisca and the Haitian Christian Ministry family.
- Pray for the 2015 North American Christian Convention and Pastor Mike's leadership of it. Pray for his travel safety. Pray for his energy to speak over the next several weeks. Pray for the theme "We Speak" to encourage thousands of churches to become dangerous witnesses.
- Pray for someone you know who is not a follower of Jesus. Pray for God to open a door for conversation or invitation. Pray for God to make you boldly live out your faith as a visible, daily witness.
- Pray for God to help us all not to betray our Lord by saying we love him and acting as if we don't.
- Pray for those in our body who have been betrayed in close relationships. Pray that God will bring healing to their hearts and hope because of His faithfulness.
- Pray for Christians worldwide who are being threatened and literally giving their lives for their faith.

Baptism Testimonies

Lucas Stocker (9:45)

I attended Eastview (OASIS) for the first time back in 1997 and have attended off and on since then. After struggling in all aspects of life for the last year or so, I decided that it was time to try things a little different. I find that when I let God take control of things, my life gets easier. I have found a home in ECC and look forward to being a part of the family and serving forever.

Deborah Wood (11:30)

I am so excited to have been blessed with this opportunity to be baptized. I have always had a love for God, but I turned away from God for many years in my life of addiction. I have grown closer to God over the past 16 years and have finally found a church that I look forward to growing spiritually in. I want to dedicate my life to God and receive the gift of forgiveness and the Holy Spirit. Thank you everyone at Eastview Church who have made me feel welcome. Thank you to my family and friends.
