**Prayer for Eastview Christian Church**

Dear Heavenly Father,  
We humbly approach your throne by the blood of your Son Jesus and by His grace. By your Spirit we ask of you the following requests according to your will, for only you are able:

- Will you allow us to be a part of 1,500 people coming to faith in Jesus Christ in this year?
- Will you give us the courage to be "dangerous witnesses" by sharing the good news we have found in Jesus?
- Will you encourage each of us through your body, the Church to become more and more generous for the expanding of your ministry in this place?
- Will you anoint the preaching, teaching, writing, and communication of your truth with great Holy Spirit power throughout the ministries of Eastview?
- Will you accept our humble thanks to you for dying that we might live?

**Darrin Janis (5:00pm Jan. 12)**

I have been coming to Eastview just over one year. I thank the love of my life, Greta, for steering me back onto the path Jesus has made for me. I will always say that God led Greta to me and Greta led me back to God. The first service she brought me to made me feel right at home and I knew this is where I belonged. I have wanted to be baptized for several months but didn't feel quite ready. When ECC stated that they were offering a 5pm service I knew that would be the opportunity to allow me to go to church every Sunday even when I have to work. My baptism takes me one more step in my devotion to Jesus Christ and his teachings.
