Guided Prayer for Eastview Christian Church

Father in Heaven,

You must be my strength for I can't carry the burden.

You must be my wisdom for I can't figure it out.

You must be my vision for I can't see beyond the urgent.

You must be my passion for my soul grows weary within.

You must be my hope for everything else fades away.

Let me sense your presence in my life today.

Let me feel your forgiveness, eternal purpose, smile that you made me, and love.

Even the desire to want to know you, please grant me that today!

So that when the day is done...

I will not be burdened, confused, impulsive, apathetic, or in despair.

Hallelujah God! You are my obsession! All glory to you!

Amen.
