Baptism Testimony

Travis Hull (baptized 12/21/14)

Three months ago, I found myself struggling with past mistakes that I had made. I felt the calling to start going to church and to read to Bible until I finished it. Ever since I finished the Bible, I've been praying every day and going to church every Sunday and reading the Bible. He has been answering my prayers and making miracles happen for me. He has changed my life so much.
