Prayers for Eastview Christian Church

- Pray for God to help us see the extreme spiritual hunger and despair of those around us this week. Simply pray: "God help me to see what you see with spiritual eyes".
- Thank God for the spiritual nourishment you have found through His Son, Jesus. Thank him especially for his love, grace, and forgiveness to you personally.
- Ask God to give you a sense of urgency for those around you who have not tasted the love, grace, or forgiveness of Jesus.
- Ask God to open a conversation for you to share your good news with someone this week.
- Pray for the members of your small group to share good news with those they come in contact with this week.
- Pray that good news would resound through our community this week as a result of thousands sharing the name that is good news - Jesus.
