Prayer for Eastview Christian Church

- Thank God for how he made you. Include the physical traits about you that maybe you have seen as a weakness, wish you could change, or don't like.
- Sit quietly with God for at least ten minutes repeating several times this simple prayer: "Search me, O God and know my heart! Try me and know my thoughts!"
- Praise God for his great generosity through the people of Eastview to expand His kingdom in this place and throughout the world. Ask him to continue to make us a generous and fearless church with our resources.
- Pray for God to raise up the next generation of great church leaders by laying a great foundation in our Baby Kidsview and Little Kidsview ministries. Pray for our staff and volunteers in these areas. Pray for the children God has entrusted to us.
- Spend some time talking to God by simply mentioning the specific things in your life that you know he knows. After some time, praise him for his great knowledge.
